

EIS Student Council – Academic Year 2023-24

Janvi Kadolkar (X-A) – Head Girl

“Coming together is the beginning, keeping together is progress and working together is success.”

I am proud to call myself the head girl of Educon International School. I was always taught to give credit where it's due, and so I would like to extend my gratitude to Director ma'am, Principal ma'am, Coordinator ma'am, teachers and the student body for putting your faith in me. My focus is teamwork and equality. No step of mine will

be without student council's consideration and cooperation. With trust of all in me, I promise to work for our school with excellence and pride. To my fellow council members, I could not have asked for a better team and I heartily look forward to work amongst you. This opportunity to be part of the student council means a lot to me. To be given the opportunity to be the voice of the students and to fulfil their purposes is a matter of prestige. Student council is the epitome of trust, friendship, and support.

Rudraksha Yadav (X-A) – Head Boy

I am proud to call myself the head boy of Educon International School. I would like to extend my sincere thanks to principal ma'a

m, teachers and importantly the student body, who had the faith in me that I can carry out my duties and

responsibilities diligently. I would concentrate on mostly teamwork. As we all know, our own body is like a team where no single organ can perform all the jobs, but together they can. So let's join hands to work as a team in full coordination with full team spirit in day to day functioning of the school and help everyone in each and every situation.
